Bird's Nest Caught Fire.

A bird's nest caused a fire at Folkestone, Kent, England, not long since. The nest, built just below a wooden window-sill at a boarding house on the water front, was ignited by sparks from a chimney, and the window-sill caught fire. The fire was subdued before any extensive damage was done.

HUGE INVITATION

A Conference of Farmers and Business Men Early This Spring

A MEETING FOR THE SOUTH

A Great Opportunity For a Short-cut Method of Seeing What is Best in Rural Co-operation in the United States—A Real Getting Together.

Almost everyone who has read the magazines and newspapers in the last or so has wished to travel to many points and learn first-hand what the leaders in co-operation are doing. Of course, this has been an impossibility and even if one could make it possible, there would be no time left for constructive work at home. To a certain extent the "County Life Conference" in Louisville, April 7, 8, 9, 10, will make this a possibility without extensive traveling.

Leaders in co-operative movements from many parts of the South and from innumerable Northern States, have been engaged to tell just what they have accomplished and how it was accomplished. They are to tell their "ups" as well as their "downs," in the cause of co-operation. They will also be on hand to show exactly how the work which has been a success at home can be transplanted to other neighborhoods. They will bring with them not only the story, but also all of the material that is used in their perfected organization to-day that it may run smoothly.

Enough enthusiasm is sure to be developed to make organizations among those present a certainty. This will be done by these men in the most detailed way possible. The leaders who come to the Conference should be able to take the good word home in such shape that it can be redeveloped and take root.

If you should wish to better your own condition, or the condition of your state, or the condition of the whole South, it would be well worth your time and money to come to Louisville at this time.

Even if you are not at all anxious to hear any one of the speakers or see any of the demonstrations, still it would be a delight to be in a crowd of people who are enthusiastic enough and devoted enough to come and rub elbows with other leaders. After all, there is nothing much better in life than the glow which comes to all of us when we come in contact with "live wires" from scattered places over the whole country.

If you are a leader or feel that you might be a leader or hope to be a leader, make your plans at once and get the dust off your grip sack that you may be ready to be with the splendid bunch that will talk things over so that the South may grow in prosperity, in farm life, in home life and in neighborhoods.

FARMERS' CLUBS

Prof. A. D. Wilson.

The press of the country for the past several years has been full of the wonderful work done by the Boys' and Girls' Corn and Tomato Clubs. Naturally, it would seem time for us to have something in the press concerning clubs for farmers and their wives.

Some work in successful farmers' clubs has been done in the State of Minnesota and Prof. A. D. Wilson, of the Extension Department of State University is the man who has developed it. His wide experience in this field has appealed so strongly to those in charge of the program for the Farmers' and Business Men's Conference, that arrangements were made for him to come to the meeting at Louisville, April 7-10, to develop the same enthusiasm that has attended the work in his home state. He is a speaker of ability, and it is hoped that he may entice our farmers to the point of organizing some clubs in Kentucky and in the South for this year.

The Conference in Louisville, April 7-9-10, is of such importance that extremely low railroad rates have been made. You can make the trip from your home town to Louisville at this time for one fare plus 25 cents.

Might Be Dead To-Day.

Garden City, Kas.—In a letter from Mrs. James Hammer of this city, she says, "I firmly believe that I would not be alive today, if it were not for Cardui. I had been a sufferer from womanly troubles all my life, until I found that great remedy. I feel that I can't praise it too highly." Are you a woman, suffering from the troubles, to which woman is peculiarly liable? If so, why not try Cardui, the woman's tonic? You can rely on Cardui. It is purely vegetable, perfectly harmless, and acts gently but surely, without bad after effects. 'Twill help you. Ask your druggist.
